

Fire & Rescue New South Wales Firefighter Championships Association Inc

EOI FORM

The Fire & Rescue Firefighter Championships Association is seeking Expression of Interest from Brigades, who wish to host a Regional Championship and/or State Championship for the 2019-2020 championship series.

Each year Championship events are held throughout the state and every 2 years a State Championship is held.

Each Regional Championship attracts a large number of competitors and visitors to the local community for these events.

In hosting a Championship event, there is the significant effort required by the host brigade to gain all the local approvals from Council, arrange a venue and function for the Friday (Informal Registration) and Saturday (Championship Dinner) nights.

In return, there is a significant value brought back to your community through accommodation, meals, supplies and general support from competitors and families in attending a Regional Championship.

Fire & Rescue Regional Events Coordinator will provide support for the successful hosting brigade, through track layout, designs, community event development, media and hosting requirements.

The NSW Firefighter Championships Association (FCA) will provide assistance, through invitations, registration, advertising, promotion and hosting information. The FCA will arrange all accommodation and requirements for officials and the championship running schedule.

Regional Championships for 2019 can be ideally scheduled during the months of March, May, August, as the Australasian Championships are scheduled for October Tamworth.

Regional Championships and the State for 2020 can be roughly scheduled during the months of March, May, August with the State Championships scheduled for October.

Regional Championships are run on Saturday and Sunday, with community and school events on Friday.

State Championships are currently run over 3 days Thursday to Saturday with a large community event scheduled for the Friday night with a mega fireworks display and Championship dinner on the Saturday night.

If you have any questions or just wish to discuss the opportunity, please contact Dave Hitchcock, NSW FCA Secretary on 0401 979 609 or AH 66572075

"Come for a look and you'll be hooked"

Brigades wishing to host a Regional Championship must provide a written response to this EOI outlining the following;

BRIGADE NAME: _____ **No.** _____

Preferred Dates for Championships _____ **2019/2020**

Region _____

Regional Championship previously held at this location in _____ **(year)**

1. Acknowledgement of your Local Council, agreeing in principle to support your bid for hosting. (approval to use the track and associated facilities)

2. Acknowledgement from your brigade to provide all support in hosting a Championship.

3. Outline the accommodation available within your community, suitable for accommodating a Championship. (allow 40 officials,150 competitors and family)

4. Agreement from your brigade that all costs associated with keeping the Championship track in suitable condition or constructing an approved track will be met by the Brigade or local community.
