

## HOSE CART - 5 COMPETITORS

*Volunteer Fire Brigades Demonstration  
Wagga Wagga 1932*

*CONDITIONS: Five men from each brigade to run 10 yards, pick up and run with hose cart equipped with 200 feet of hose, standpipe and branch, a distance of 75 yards to a line, 25 feet from the disc. Branchman then to take the branch. The team continue with cart and run out 100 feet of hose, break coupling, ship standpipe and connect the hose. Branchman to strike disc with water; bar will be placed close to the hydrant. Hose to be run out to its fullest extent. all gear will be place in cart prior to commencement of the event by the supervisors. Hose will be flaked. Wheel will be fitted to drag handle and front prop removed. Two an a half inch diameter wet hose to be used. Time will be taken at the striking of the disc. this event will be run in pairs wholly against time, i.e., the brigade making the fastest time to be the winner. Each team after completion of its event shall remove all hose and gear from the track to a position indicated by the supervisors.*

*Team Prize: Fancy Tea Set and Waiter; First Prize: 5 Cut Glass Powder Bowls; Second Prize: 5 Fancy Jam Dishes.*
