*The Board of Fire Commissioners introduced the first State wide Demonstration in 1932. Before that date a two day Interstate Demonstration was held in January 1909 at Corowa under the patronage of the Metropolitan and Northern Fire Brigades' Association of New South Wales. The General Supervisor was Captain Ritchie of the Corowa Volunteer Fire Brigade and the Referee was Captain Love (Granville Brigade), President of the N.S.W. Volunteer Firemen's Association. Seventy nine brigades competed, shown here in the order of the Procession (the spelling is in accordance with the 1909 "Official Programme")*
