

PORTABLE FIRE EXTINGUISHER - 1 COMPETITOR

From 1932 Programme

Alarm, Rush, Fire Extinguisher -- 1 Man

CONDITIONS: Competitors to stand on a mark 100 yards from objective which will be a hand chemical extinguisher. The extinguisher will be placed in a position and the fire started by the supervisors. When alarm is given competitors must run 100 yards, pick up soda acid hand chemical extinguisher, carry it another 20 yards to the fire and discharge. The competitor who first has jet on the fire will be the winner.

1934

CONDITIONS: When the signal is given by mechanical flag, competitors are to run 100 yards, pick up the extinguisher, carry it another 20 yards and discharge its contents at the disc. The competitor who first has jet on the disc will be the winner.
