

2021
STATE
**ROAD CRASH
RESCUE
CHALLENGE**

STRONGER TOGETHER

Fire and Rescue NSW

I would like to welcome you all to Mogo for the 2021 NSW State Road Crash Rescue Challenge. This is our first NSW multi-agency road rescue challenge with the goal to ensure that the NSW State road crash rescue capability is fit for purpose and meeting contemporary challenges in motor vehicle rescue capability.

I must sincerely thank all our Sponsors, with FRSA/Holmatro and Pt Rescue/Lukas for providing support in the pits to this first road crash rescue challenge. All our sponsors are vital partners with emergency services, and they are integral industry representatives. With their support we can bring the best NSW State rescuers, paramedics, trainers, instructors, and assessors together for this event.

This year the FRNSW/NSWSES/FCA event management team in conjunction with the State Emergency Management Committee have put together the 2021 State Road Crash Rescue Challenge to test the skills, knowledge, and expertise of the competing teams. This also includes a variety of learning opportunities commencing with the Learning Symposium.

We have included the Trauma Challenge and CPR event in this year's challenge to test and enhance the expertise of our first aiders, which is such an important part of road crash rescue capability, to try and get the best possible outcome for the victims of the many road crashes every year on NSW roads. I encourage everyone to get behind this event and support the competing teams.

I appreciate the challenges and preparation that faces teams and individuals to get to this year's State Road Crash Rescue Challenge and would like to thank the competing teams for their efforts to get here to compete.

I wish all participants the best with their challenge events and I am looking forward to seeing the teams compete in an open learning environment. I know that everyone will come away from this challenge with new ideas and ways to undertake rescue and having made new friends.

I would also like to thank all those volunteers who have given up their time to ensure we have a successful 2021 Road Crash Rescue Challenge. A big thank you to those you see in the orange overalls as well as those who work behind the scenes. Your support is truly appreciated.

Regards

Fire and Rescue NSW
Assistant Commissioner Rob McNeil AFSM
Director of Firefighter Championship

NSW State Emergency Service

The NSW State Emergency Service would like to welcome you to the inaugural State Road Crash Rescue Challenge in Mogo. This event brings together the two largest providers of Road Crash Rescue services across NSW to learning and share ideas in a multi-agency environment.

I would like to thank all the NSW SES members that have assisted with the development and conduct of this event. In addition, I would like to thank our emergency service partners for support this event including the NSW Police Force, NSW Ambulance and NSW Rural Fire Service. Their support is invaluable to ensure that this event is a success, and it further builds the relationship between agencies.

This event has been put together by a multi-agency planning team involving the NSW SES, FRNSW and Firefighter Championships Association with funding support from the State Emergency Management Committee. This event will test the skills and knowledge of the participants in Road Crash Rescue, First Aid, Casualty Management and Team Leadership.

The Learning Symposium will provide a range of learning opportunities for participants through sessions on mental health, infection control, scene preservation, health and fitness, electrical safety, and Public Access Defibrillator Program awareness.

To enhance and develop the participant's skills in trauma management and CPR at a first aid level, a Trauma Challenge and CPR Challenge events have been included. The participant's performance will be evaluated by NSW Ambulance paramedics, with these officers providing feedback and guidance to participants on the management of these scenarios.

I wish on behalf of the NSW SES, all participants good luck for their participation in this year's challenge and I am looking forward to seeing the teams complete all the scenarios

Regards

**NSW State Emergency Service
Deputy Commissioner Daniel Austin**

Firefighter Championships Association

The Firefighter Championships Association (FCA) would like to welcome participants, their families, sponsors, and supporters to this inaugural NSW State Road Crash Rescue Challenge.

This Championship is the culmination of many months planning and cooperation by sister agencies to present a forum where road crash trauma skills can be honed and learning opportunities are available in symposiums in a safe and friendly environment. It is envisaged that Mogo will be the first of an annual event for NSW emergency agencies across the State.

Welcome to all representatives from our valued sponsors and supporters in attendance here at Mogo. I hope you enjoy the 2021 State Road Rescue Challenge as our guests. We are grateful for your contribution in support of the Road Rescue Challenge and helping to grow the interest of teams attending these events into the future.

The Road Rescue Challenge is a great way for emergency services personnel to develop skills and teamwork. It also a great way to meet fellow firefighters and emergency service personnel from other agencies and share knowledge and skills. The FCA is proud to be a partner in this important initiative.

Come along, have a go, meet fellow emergency responders, and have a great time!

Information on this event and FCA Championships is on our website:
firefighterchampionships.com.

These events cannot be conducted without the support and volunteering of many people at all levels. Thank you all.

Greg Fredericks AFSM
President FCA

The NSW State Road Crash Rescue Challenge aims to create an environment in which representatives from all agencies involved in responding to road rescues in NSW can come together to learn, exchange ideas and participate in skills challenges in the spirit of camaraderie; delivering a stronger, more effective, and more skilled road crash rescue response for the communities of NSW.

Learning Symposium

All participants will be placed in a group. (team members will be placed in the same group)

Symposium Schedule:

				Group Number		
Time				1	2	3
Welcome	8:15	10 min	Welcome	ALL		
	8:30	40 min	Session 1	A	B	C
	9:20	40 min	Session 2	C	A	B
Morning Break	10:00	20 min	Morning Break	ALL		
	10:30	40 min	Session 3	B	C	A
	11:20	40 min	Session 4	D	E	F
Lunch	12:00	40 min	Lunch	ALL		
	12:50	40 min	Session 5	F	D	E
	13:40	40 min	Session 6	E	F	D
	14:30	40 min	Session 7	G	G	G
Afternoon Break	15:50	10 min	Afternoon Break	ALL		
	16:00	40 min	Event Overview	ALL		
	16:40	60 min	General Info Session	ALL		

Symposium Topics:

Workshop	Topic	Facilitator
A	COVID-19 and Infectious Diseases	Chrissy Strickland
B	Support Health and Wellbeing	Fortem, Sam White
C	Wires Down	Matt Thornton
D	CPR Masterclass / PAD	Geoff Kiehne
E	Staying Fit for Task	FRNSW Health and Fitness
F	Accident Site Integrity	Chris Warren
G	Vehicle Relocation Winching	Tim Fox

Symposium Workshops are a mix of practical and theoretical sessions.

Workshops will be held in various spaces on the site; your group will be advised of each location.

“The Tyrepower Group was formed in 1977 by ten independent tyre retailers with the aim of offering consumers the flexibility, savings, and value of an independent dealer network.

Tyrepower has grown to be the largest independent tyre retailer in Australia and New Zealand.

Tyrepower has a strong place in communities all over Australia and New Zealand, so this is a very good match for both parties. Often in partnerships, it is about shared values, and it is for Tyrepower a fantastic opportunity to work with Fire and Rescue New South Wales.

At Tyrepower, we welcome the return of some normality to New South Wales after COVID-19 took out the State Championship last year. We wish the competitors all the best and are looking forward to a weekend of fun, camaraderie, learning and competition.

Our core values and aspirations align closely to those of Fire and Rescue New South Wales as we get everybody who visits our stores safe back onto the road– our dealer network are passionate about our local communities, we also know that community safety is at the forefront of Fire and Rescue New South Wales and their community”

**Henk van Diggele
General Manager**
